DIGITAL BUSINESS & ENTREPRENEURSHIP

FULL SEMESTER – 15 WEEKS

The 15-week Digital Business and Entrepreneurship Program at **PIB College** provides a comprehensive foundation in building and scaling businesses in the digital age. Delve into key topics such as digital marketing, e-commerce strategies, AI applications, and startup development. Through hands-on projects, workshops, and collaboration with industry experts, you'll gain real-world experience and insights into the global digital landscape.

- All classes held in English
- Earn up to 30 ECTS credits (≈ 15 US Credits)
- Workshops and excursions included

SC'25: March 29 - July 19, 2025

WC'25: October 04, 2025 - January 17, 2026
